An act to amend Section 5050 of the Fish and Game Code, relating to reptiles and amphibians, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 2795, as amended, Florez. Fully protected reptiles and amphibians.

(1) Existing law prohibits the taking or possession of fully protected reptiles and amphibians, or parts thereof, except as specified.

This bill would authorize the Department of Fish and Game to ~~authorize~~ *permit* the taking of a blunt-nosed leopard lizard if ~~the it is an identified species is considered a covered species under a~~ *or whose conservation and management is provided for in a* natural community conservation plan *approved by the* department, as prescribed.

(2) Existing law continuously appropriates money in the Fish and Game Preservation Fund to the department to pay

all necessary expenses incurred in carrying out the Fish and Game Code and any other law for the protection and preservation of birds, mammals, reptiles, and fish.

This bill would make an appropriation by imposing new duties on the department payable from that fund.

Vote: majority. Appropriation: yes. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 5050 of the Fish and Game Code
